LETTER TO CONTEST DELPHI'S MOTION FOR ORDER UNDER 11 U.S.C. §§ 105,  
363(b)(1), AND 1108 CONFIRMING DEBTORS' AUTHORITY TO TERMINATE  
EMPLOYER-PAID POSTRETIREMENT HEALTH CARE BENEFITS AND EMPLOYER-  
PAID POST-RETIREMENT LIFE INSURANCE BENEFITS FOR CERTAIN (A) SALARIED  
EMPLOYEES AND (B) RETIREES AND THEIR SURVIVING SPOUSES  
("SALARIED OPEB TERMINATION MOTION")

PRELIMINARY STATEMENT

I am a retired Delphi salaried employee. As the court knows, Delphi Corp. filed a  
motion with the U.S. Bankruptcy Court to discontinue healthcare and life insurance coverage  
for retirees. The notice also stated my Retiree Health Reimbursement Account (RHRA) would  
be eliminated. This account was established as part of cost reduction efforts a couple of years

ago when Delphi terminated health insurance coverage for retirees once they reach 65 years of age.

I am contesting this motion for the following reasons:

- 1) The obligation Delphi has to provide health care coverage for retirees is time limited. Coverage for retirees is stopped when they reach age 65. And, retirees hired after 1992 do not receive health care coverage in retirement.
- 2) People hired after December 31, 1992 knew they would not receive health care coverage in retirement when they hired in so they have had time to plan for health care in retirement. People such as myself who were hired in the 60's, 70's or 80's were told by the company that we would receive health care coverage in retirement and now have no time to plan for providing ourselves and families with health care coverage after retirement.
- 3) The motion made by Delphi is for permanent elimination of health care benefits for salaried people who were promised this coverage when they retire.
- 4) I have a handicapped son that I was very fortunate to have retained coverage through this insurance. This loss can cause great financial difficulty for my family.

#### SUMMARY

I am a retired engineer who hired into the company under GM and dedicated my working career to making GM and then Delphi a successful company. It would be welcomed to have Delphi shows its appreciation through continued insurance benefits until age 65 as promised.

I understand the extraordinary difficult economic times that the company, as well as the automotive industry faces. Sacrifices are being made now and more may be necessary. Health care coverage has been modified to help ensure the company's survival. For example, co-pays, deductibles and/or premiums have changed recently. However, I believe the permanent elimination of health care coverage for salaried retirees that were promised this coverage is not justified.

I appreciate the court taking the time to consider my argument and respectfully ask that you not approve Delphi's motion to terminate health coverage for salaried employees that are counting on that coverage.
